

**BROOKFIELD ARTS COMMISSION  
MEETING MINUTES 1/27/14**

ATTENDANCE: Mary Daniel, Ray Dori, Chris Aher, Betsy Scott, Emily McPadden, Carmel Fauci, Ann Amorossi

TREASURER'S REPORT: \$2312.41

OLD BUSINESS: FILM FESTIVAL: We will need to start giving out assignments so that all our bases are covered. Ray will take care of the signage and Betsy said that she would check with the Zoning office about the sign regulations. Ann will continue to do reservations and tickets. Film research, we will all do. Wine and food preparation, we will all do. Ray will continue with the workshop preparation. We will need as many volunteers as it takes to work in the kitchen, distribute the food and wine etc. We will make up a list of names for each of the performances before the film festival begins. Chris A will be in charge of projector, screen etc. We will need someone for PR, Ann had suggested that Marian may want to help with this, she will check with her. It was definitely decided that we would charge \$15 for tickets and \$5 for wine and should we charge for water? We had originally decided on the following dates for the Film Festival, April 3 through April 6. Mary had announced that she will not be available and we decided to choose another date - April 10 through April 13. Mary will contact ETH to see if dates are available.

RECEPTION FOR LISA TEDDY - will be Wednesday, Feb 5 - 7:30 to 8:30. Ann will bring punch bowl, napkins, cups and cookies. If anyone else wishes to bring some baked goods, please let Ann know.

IFC THEATER: Do not know the dates they will be showing the Academy Award nominated shorts and when they are posted on their website, we will decide which date to attend etc.

Emily McPadden has volunteered to go over the financial reports for the BAC and FOA. Both Mary and Ann gave Emily receipts and reports for her to check. Unfortunately this took up most of our meeting time and I had to leave before the end of the meeting. I do not know what was discussed dealing with Gloria LaPoska's art work and the renewal of commission membership,

Our next meeting will be Monday, Feb 24th, 7:30 pm. We probably will have several meetings in between for the Film Festival.
